Pay Your Fines Online

24 April 2020

The new norm requires new ways of thinking. One of the things we need to address is the payment of fines. Each of us has committed to a given dollar amount that we provide to the club as fines. Normally the President would fine individuals for birthdays, anniversaries, and sometimes we just have a proud story to tell and are willing to pay a fine.

The question then becomes, how do we make the payment on that obligation? If we were meeting at Paul's we could easily go to the treasurer after the meeting with a check or cash and our obligation has been fulfilled. With meetings taking place online using Zoom, the question becomes: Do I write a check and drop it in the mail? You still can, but we now have an easier way – Pay Your Fines Online!

You can do this from your desktop computer, laptop, tablet, or cell phone. How convenient is that? One might also ask the question: What have we not done this before?

You can pay you fines at any time: During a meeting, after the meeting, over the next few days, or when you get the email reminder from the treasurer. What is nice is that this obligation is easy to do, requiring only a few clicks, completing a simple entry form, and making payment using PayPal or your credit card.
